

To do at home

Have a go at stitching

Horace Lindezey uses wire and stitching to make pictures that remind him about his favourite clothes and the special occasions they were bought for.

Choose some coloured thread or wool from home and ask for a sewing needle. Thread the needle and tie a knot in the end. Using a running stitch join the dots and create one of Horace's suits.

Younger children should be supervised during this activity

What is your favourite outfit for a special occasion?

When did you get it?

What was it for?

Who bought it for you?

**When you've finished take a picture and share it with us on
