## About You & Your Work

You can answer the following questions in a short video (4 mins max) or in writing. Along with your completed application form or video:

- Please email 4 high resolution images of your work, up to 2MB and around 300dpi (these should be sent as attachments by email and not pasted into a document).

**When you complete this PDF form we recommend writing and saving your response in another file and pasting it into this form rather than typing directly here.**

## 1. Tell us about your work

Tell us about: what you make, what themes or ideas your work explores, wider issues that you are interested in, and what processes you use or are interested in exploring in the future. (150 words max)

## 2. Your In:Site Engagement Project Proposal

Tell us your idea for an engagement project that responds to the theme of care. If you are selected for In:Site, you will be supported to develop, plan and deliver your project idea.

Describe what you would like to do and how the public will engage with your work (150 words max):

**Project name (if you have one):**

### 3. Access

Tell us about your access needs: any adjustments or support you need to fully take part in the programme. Access needs can be responded to at any point during

In:Site:

### 4. In:Site Learn

Tell us how you think the In:Site Learn programme – talks, mentoring, networking and support opportunities – would benefit your practice and career development. (100 words max)
